

Certification for Paper Acceptance

This letter is to certify that, after passing a single blinded peer review process by the Scientific Committee of the International Conference on Materials and Applications for Sensors and Transducers, September 27-30, 2016, Athens, Greece, your submission with details:

Comparison of information content of temporal response of chemoresistive gas sensor under three different temperature modulation regimes for gas detection

by

Seyed Mohsen Hosseini-Golgoo, University of Guilan, Electrical Engineering Department, Iran, Islamic Republic Of

Fatemeh Salimi, University of Guilan, Electrical Engineering Department, Iran, Islamic Republic Of

Alireza Saberkari, University of Guilan, Electrical Engineering Department, Iran, Islamic Republic Of

Saeideh Rahbarpour, Shahed university, Electrical engineering, Iran (Islamic Republic of)

has been accepted for **ORAL** presentation at the aforementioned Conference and has been included in the Conference Technical Program.

**International
Conference on
Materials and
Applications for
Sensors and
Transducers**

September 27-30,
2016
Athens, Greece

The IC-MAST Chair

Prof Evangelos Hristoforou
National Technical University of Athens, Greece
